**Be part of an environmental success story—
the restoration of Florida's largest open-water estuary.**

When it comes time to renew your car, motor home or boat trailer license plate, or even before, choose the Tampa Bay Estuary specialty plate. You'll be contributing directly to projects that restore Tampa Bay's natural habitats and improve water quality—ensuring the continued survival of bay inhabitants like the spectacular "Silver King" Tarpon that's pictured on the plate.
